- 1) Financial Technology (FinTech) – Helping the Governance Professional Understand the Inevitable Need to Deal with Digital and Virtual Banks / Potential Solutions for Bank Account Opening
- 2) New Economic Substance Requirements for BVI Companies

Highlights:

論壇重點:

In this forum, industry professionals will address emerging Fintech solutions, and the rise of the digital and virtual banks which is strong challenger and disrupter to the banking industry. The governance professional will be well placed to understand these developments. In parallel, the vexed issue with opening bank account can potentially be addressed. Accordingly, this seminar is intended also to share thoughts on:

- Corporate advisory services - leveraging fintech and offshore banking
- FinTech - its application use cases and impact on our daily life
- Digital banks and their target markets in countries around the world
- Virtual banks in Hong Kong - opportunities and challenges
- KYC and AML issues in client onboarding and account opening process
- Opening of bank accounts for overseas companies
- Relevant activities to address the new economic substances for BVI companies
