About SCAA:

Our Society was established in 1913 and is one of the most profound accounting professional bodies in Hong Kong.

Our missions:

- Enhance the professionalism of fellow practitioners;
- Collect and reflect members' views to the government, other professional bodies and the public;
- Actively pursue continuous professional development of members and the accounting profession;
- Serve the community and contribute to the prosperity of Hong Kong SAR and Mainland China.

Our aims:

- Provide support and assistance to Certified Public Accountants (Practising) to cope with the requirements under the ever-changing accounting and auditing standards;
- Provide platforms whereby members can be familiarized themselves with the application of the new standards and discuss about controversial issues and problems through seminars and workshops.
