Boost Audit Quality with Digital Solutions

Speakers: Mr Charlie Chan & Mr Samuel Tsang

Boost Audit Quality with Digital Solutions (Course Code 課程編號: 0425)

Highlights: 課程重點:

Facing staffing shortages and increasing regulatory pressure? Learn how to enhance audit quality and efficiency with cutting-edge digital solutions. This webinar features experts from Wolters Kluwer showcasing ProSystem® fx Engagement and TeamMate® Audit Analytics.

ProSystem® fx Engagement is an audit solution in which you can manage your audit workpaper, support your firm in complying with requirements related to audit documentation, and facilitate collaboration among team members. It also provides a customizable audit binder and allows users to tailor their audit plan and procedures based on the specific circumstances of an audit client.

TeamMate® Audit Analytics is a computer-assisted audit tool (CAAT) and audit analytics solutions that deliver data-driven insight by putting the power of analytics on the auditor. The speakers will explain how to adopt the digital solution to improve audit planning, location of potential high-risk items across full data sets (not just samples) and deliver results with greater confidence - with more than 150+ test libraries, making data preparation easier than ever, automating the workflow of your audit procedures.

Who Should Attend:

Whether you are a partner, manager, or staff member, this webinar will provide valuable insights and practical tips to help you navigate the digital landscape. By adopting these expert solutions, CPA firms can elevate their service offerings, improve client satisfaction, and foster business growth in an increasingly competitive digital age.

Light refreshments will be available for those attending in person.
