WHY CHOOSE eBRAM?

eBRAM, a not-for-profit LawTech provider and online dispute resolution institution, offers a unique Deal-making Portal designed to address cross-border transaction challenges, particularly for SMEs and MSMEs, providing a one-stop service for enterprises from the start of their cross-border transactions to contract completion, and to dispute resolution if and when disputes arise.

e-DIRECTORY

e-Directory streamlines partner discovery by industry, services, products, and keywords. Get a rapid overview of company offerings with one-click connections.

DEAL FLOW MANAGEMENT

Track deal progress, schedule meetings, and manage document uploads/downloads for seamless business negotiations.

SECURE VIDEO CONFERENCE

eBRAM's VC offers real-time transcription and translation, displaying live discussions in the dialogue box and providing instant conversation transcripts.

CREDIT CHECK & LEI APPLICATION

Get instant credit reports on Chinese companies for a deeper understanding of potential partners. Additionally, we support companies in applying for Legal Entity Identifier (LEI), a globally recognised ISO 17442 standard, boosting credibility.
