HAPPY香港。 活动 GPA FIVE GAME BOOTHS

The five game booths will challenge various physical fitness abilities of participants! It involves both individual and parent-child items with different level of difficulties. After each challenge, you will be rewarded with a stamp, collect all 15 stamps in limited time and get special souvenir!

HAPPY SHOOTING

22 Target:

Parent-child / Individual

Target skills:

Accuracy (

Game Rules

You will have to draw a card before shooting to see which leg will be the axis and the other leg will be lifted. You will have to throw targets with one leg lifted. Each will get 3 throwing chances, 5m away from the target. The more score accumulated, the more stamps you get.

(If you choose parent-child collab, you will get 2 extra chances, 5 times in total)

FLEXIBILITY & MATH CHALLENGE

Target:

Parent-child / Individual

Target skills:

Game Rules

You will have to bend your back to move over the pole. While you're moving across the pole, a math question will be posted at your back and you will have to finish the calculation. Once you've completed the question, you can move to next level. 10 levels of difficulties in total, you have to complete all within 2 minutes. Higher the difficulty level, the more stamps you get.

CPA SPORTS CARNIVAL

POWER PUSH

20 Target:

Parent-child / Individual

Target skills:

Accuracy Explosive

Game Rules

A customized circle will be placed in 3m/5m away from you, and the circle contains different scores. You have to throw the 2kg medicine ball in to the circle in a kneeling position. You will be given 3 chances. The more scores you get, the more stamps you get! (Adults: 5m/ Children: 3m)

LOVE DELIVERY

Target:

Parent-child / 2 Adults

Target skills:

Muscular **Endurance**

Collaboration &

Game Rules

You will be paired up for this game. In 5 minutes, you have to "deliver" the suggested weight (given by staff) to destined location. You need to move weights from Point B to Point A. Use self-customized delivery vehicle to transport weights back to Point A! The faster you are, the more stamps you get!

MAKE IT QUICK!

Target:

Individual

Target skills:

Reaction (

Game Rules

You need to throw up the ball, and while the ball is in the air, you have to turn off the reaction lights by tapping them, and catch the ball when it falls back down. The more times you succeed within 1 minute, the more stamps you get!
